Just For Ladies Club**

# Just for Ladies Membership

The GunsOnPegs Just for Ladies club seeks to bring together like-minded ladies who shoot: it gives a tangible excuse to meet up and an impetus to stay in touch out of the game season.

The ethos of the Club at all times is about inclusiveness and elegance. We expect that from the Club Members we can identify ladies who would help and captain a day or even host an event. Shooting with the GunsOnPegs Just for Ladies club is about getting on with people and having fun: we want to shoot with people like ourselves.

The membership provides a structure with which a Shoot can interact so contracts are easier to organise and cancellation issues clear. It can be a little fraught behind the scenes when individuals drop out of a Shoot and we prefer not to go back to the other guns to ask for more money to make the day work.

Also, as a Club, Just for Ladies is in a strong position to negotiate discounts and perks with a wide number of providers.

**Cost of Membership £245 + VAT annually**  
**To Join Today, Please Call 020 7491 1363**

## Membership benefits

### Priority Shooting

---

Members will be given the opportunity to shoot on Ladies Days ahead of non-members on a selection of game, simulated game and clay days around the UK and in Europe.

### Subsidised Events

---

Events exclusive to Members are scheduled throughout the year and further events will be subsidised for Members so that you pay a smaller fee to attend – dinners, talks, visits...

### Membership Card

---

Members will be issued with a membership card that automatically entitles you to a range of benefits unconnected to shooting as well as evidencing your insurance.

## Triple Barrelled Insurance cover

---

TBC offers a gun the complete peace of mind package. It covers your public liability, your gun and your shoot expenses. So all of your purchased shoot days are insured in the event of cancellation due to weather, sickness, travel disruption etc., and this even includes the cost of hotels and travel. Your gun is also covered up to £2,000. (For guns that are more valuable you can pay an extra premium.) Increasingly shoots are requiring that you take out separate insurance for cancelled days and this can be quite expensive.

## Additional Benefits

---

A range of corporate membership benefits that includes:

- discounts on British Airways flights on certain routes,
- 15% discount on Heathrow and Gatwick Express
- discounts on country house hotels and golf clubs
- 10% discount on Michaeljohn Salon, Mayfair
- 20% discount at Champneys Spa and on online products

Further discounts will be negotiated at hotels and restaurants on shooting days in the name of the Club.

## Members Section on the Web

---

A special section on our website allowing you to keep in contact with other members.

## Regular Newsletters

---

Members will receive regular newsletters containing shoot and event reviews, articles of interest and Members' letters. Members will be able to contribute their own articles.

## Legal protections

---

As a Club we are able to negotiate contracts with Shoots and other third parties in the name of the Club that help protect the individual.
