- Membership of GunsOnPegs and the provision of a quality membership card.
- 50% of the Net Income of this scheme is destined for the GWCT for research into driven game bird species.

“I have been very struck by the Released Pheasant Appeal which was launched in 2009. The sight of wild birds over the line of guns is a sight to behold. Our first project is to help support the research into why the breeding success of released hens is so low. We need to know why and I hope this concern resonates with all shooting people.” James Horne. CEO GunsOnPegs.

- A regular email updating you on the status of the GWCT research projects.
- Access to GWCT and GunsOnPegs private hospitality areas at Game Fairs.
- A reduced annual subscription to the Fieldsports magazine of £17.50.
- An invitation to the annual GunsOnPegs end of season dinner hosted by Berry Bros of St James's, London in February.
- ***Entry into an annual draw to join the GunsOnPegs team on a days driven pheasant shooting at Wood Advent in Somerset on December 30th. (Closing date 15th December 2010)***
